RECOMMENDATION:

It is recommended that the City Council ratify the extension of the temporary closure for a section of Craig Street between southbound Frontage Road 820 to Putnam Street from January 27, 2025 to May 23, 2025 for construction activities.

DISCUSSION:

In October 2024, by Mayor and Council Communication (M&C) 24-0909, the City Council approved the temporary closure of a section of Craig Street between southbound Frontage Road 820 to Putnam Street from December 2, 2024 to January 27, 2025 for installing fiber optic conduit, new water lines, sanitary sewer lines, and repaving improvements (City Project No. 104513). The project is not yet finished due to a change in project scoping and the contractor has requested an extension to the closure.

The purpose of this M&C is to ratify Transportation and Public Work's extension of the temporary closure end date from January 27, 2025 to May 23, 2025.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
