LOG NAME: 20TEMPORARY CLOSURE OF A SECTION OF CAREY ST SOUTH OF 287

SUBJECT

(CD 11) Authorize the Temporary Closure of a Section of Carey Street between Southbound Frontage Road 287 and Martin Street from September 23, 2024 to December 22, 2024 for Construction Activities

---

RECOMMENDATION:

It is recommended that the City Council authorize the temporary closure of a section of Carey Street between Southbound Frontage Road 287 and Martin Street from September 23, 2024 to December 22, 2024.

DISCUSSION:

The City of Fort Worth Transportation and Public Works Department on behalf of South-Point Constructors requests the temporary closure of a section of Carey Street between Southbound Frontage Road 287 and Martin Street for the installation of storm drainage, civil work, and street paving improvements (Texas Department of Transportation's Southeast Connector project). This project will consist of several phases to install storm drainage box, storm drainage pipe, sidewalk, concrete curb, and concrete pavement. Access will be available at all times to local businesses. The City of Fort Worth Transportation and Public Works Department project manager has confirmed that the public has been notified of the project and informed of closure and traffic control plans for this project have been previously accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
