LOG NAME: 20REVISED TEMPORARY CLOSURE OF CHAPIN ROAD

SUBJECT

(CD 3) Authorize the Temporary Closure of 500 Foot Section of Chapin Road between Old Weatherford Road and Wakecrest Drive from February 15, 2021 to March 31, 2021 for Construction Activities

RECOMMENDATION:

It is recommended that the City Council authorize the temporary closure of a 500 foot section of Chapin Road between Old Weatherford Road and Wakecrest Drive from February 15, 2021 to March 31, 2021 for construction activities.

DISCUSSION:

This temporary closure for construction was originally scheduled for a time period spanning mid-December, 2020 to mid- January, 2021; however the contractor, Lacy Construction (CFA#20-0074), revised its schedule after M&C 20-0880, to authorize the temporary closure that had been placed on the council agenda. It has been withdrawn and this M&C replaces it. This section of Chapin Road is a narrow 20 foot wide asphalt roadway and given the scope of work the closure of a 500 foot section between Old Weatherford Road and Wakecrest Drive to demolish the existing asphalt road, install water lines and storm drain, and repave with concrete (City Project No. 102722), is necessary in the interests of public safety.

The revised closure dates are February 15, 2021 to March 31, 2021 for these construction activities.

Traffic control plans for this project have previously been accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
