

Mayor and Council Communication

DATE: 08/08/23

M&C FILE NUMBER: M&C 23-0639

LOG NAME: 20TEMPORARY CLOSURE OF A SECTION OF PARKVIEW DR

SUBJECT

(CD 9) Authorize the Temporary Closure of a 300 Foot Section of Parkview Drive Beginning 240 Feet West of Forest Park Boulevard from July 17, 2023 to October 31, 2023 for Construction Activities

RECOMMENDATION:

It is recommended that the City Council authorize the temporary closure of a 300 foot section of Parkview Drive beginning 240 feet west of Forest Park Boulevard from July 17, 2023 to October 31, 2023 for construction activities.

DISCUSSION:

The City of Fort Worth Transportation and Public Works Department requests the temporary closure of a 300 foot section of Parkview Drive beginning 240 feet west of Forest Park Boulevard for the boring of a tunnel beneath the Trinity River (City Project No. 100996-2). This tunnel will be used for the installation of a 36 inch polyethylene sewer line as part of the Clear Fork Force Main project. The Clear Fork Force Main project has been defined by sections of open cuts and borings. The closure of Parkview Drive is necessary to complete a bore due to the alignment of the sewer line with a receiving pit in Trinity Park. Traffic control plans for this project have been previously accepted.

This project is in COUNCIL DISTRICT 9.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
