Executive Director

Dear Mr. Zavala:

We are pleased to inform you that the Board of the Marilyn Brachman Hoffman Foundation has awarded a grant of \$74,100 to the City of Fort Worth Forestry Section. This grant will fund the Forestry Section to establish 39 trees, including the cost of the tree, delivery, installation, and irrigation for two years at the sites depicted in the images accompanying your grant proposal (Delga Park [7 trees], Rosemont Park [6 trees], Rosedale Park [13 trees], and the LVT Rise Community Center [13 trees]).

The grant funds will be paid after a signed copy of this letter is received by the Foundation via email or U.S. mail. Please let us know the best way to assure these funds are appropriately transmitted to the City for this project; the funds must be paid into a segregated account specifically for this project's use. If you have questions about the stipulated use of these funds, please contact our Executive Director, Tatjana Walker at twalker@mbhoffman.org or 210-865-8144.

For reporting purposes, we request progress reports including (1) when all 39 trees are planted, no later than May 31, 2022, (2) one year after trees are planted, and (3) two years after trees are planted, when maintenance irrigation is concluded. Please provide photographs of tree installation. If you publicize the grant, please recognize the Marilyn Brachman Hoffman Foundation. Learn more about Ms. Hoffman at mbhoffman.org.

Congratulations, and thank you for all the Park and Recreation Department and its Forestry Section are doing to address shade equity in Fort Worth.

Sincerely,

Mary M. Jalonick
Grants Committee Co-chair
