DISCUSSION:

The City of Fort Worth Police Department (FWPD) will apply for program funding in an amount up to \$600,000.00 in eligible grant expenses including but not limited to training, supplies, equipment, or contractual services. The goal of the United States Department of Justice (US DOJ) Edward Byrne Memorial Justice Assistance Grant (JAG) Fiscal Year 2022 (FY2022) Program, which was established by the US DOJ, is to allow local governments to support a broad range of activities aimed at preventing crime and improving the criminal justice system. FWPD will apply for the grant in conjunction with the US DOJ identified sub-awardees that were determined on a formula basis through crime data. FWPD anticipates requesting funds to purchase radio improvement supplies and equipment, including software, with global positioning system (GPS) functionality to be able to track the location of a handheld radio in an effort to reduce Officer injury or fatality, especially in a shots-fired incident.

The JAG Program has a public comment requirement that must be completed prior to the submission of the grant application. FWPD utilizes the City of Fort Worth Mayor & Council (M&C) Agenda Meeting process to meet this requirement. The grant application is typically released in mid June with an early August due date.

Matching funds are not required under this grant. The funding type is reimbursable. Indirect costs are an allowable budget category in this grant. No indirect cost revenues are expected to result from this program.

The grant will serve ALL COUNCIL DISTRICTS.

A Form 1295 is not required because: This contract will be with a governmental entity, state agency or public institution of higher education: U. S. Department of Justice

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that upon approval of the above recommendations, and adoption of the attached appropriation ordinance, funds will be available in the current operating budget, as appropriated, in the Grants Operating Federal Fund. The Police Department (and Financial Management Services) will be responsible for the collection and deposit of funds due to the City. Prior to an expenditure being incurred, the Police Department has the responsibility to validate the availability of funds. This is a reimbursement grant.
