DISCUSSION:

On June 16, 2009, the Mayor and City Council adopted Resolution No. 3748-06-2009 establishing Fort Worth Public Improvement District No. 14, Trinity Bluff (Trinity Bluff PID). State law requires an annual report on the proposed budget and Five-Year Service Plan for the Trinity Bluff PID, which is attached. The general nature of the proposed improvements and/or services to be provided in the Trinity Bluff PID include:

- A Maintenance Program consisting of sidewalk sweeping, sidewalk cleaning, and supplemental trash receptacle pickup;
- A Marketing, Communications, and Advertising Program consisting of banner installations in support of other Fort Worth organizations and non-profits;
- A Downtown Ambassadors program; and
- A Management Program to provide for the administration, management, and operation of the Trinity Bluff PID.

On February 13, 2018, the City Council adopted a Revised Policy for Operating Public Improvement Districts (Resolution 4905-02-2018), which sets forth the City's administrative fee structure for all PIDs. The City's administrative fee is set at the greater of: (1) two percent (2%) of the projected externally generated revenue for that year, to include special assessments and any City contributions; or (2) \$2,000.00.

The proposed 2020 Assessment Rate on property subject to assessment in the PID is \$0.10 per each \$100.00 of valuation. Subsequent actions will formally establish the assessment rate and the corresponding budget for Fiscal Year 2021. The proposed 2020 Assessment Roll for the PID will be filed with the City Secretary and available for public inspection during normal business hours at any time prior to the August 25, 2020 Public Benefit Hearing.

The Trinity Bluff PID is located in COUNCIL DISTRICT 9.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of these recommendations will have no material effect on City funds.
