RECOMMENDATION:

It is recommended that the City Council:

Authorize the acquisition of a right-of-way easement in 0.161 acres from real property owned by Maria Del Carmen and Manuel Corona located at 1801 Willow Springs Court, Haslet, Tarrant County, Texas 76052 in Block A, Lot 22 of the Willow Spring West Subdivision for the Avondale-Haslet Road Project (City Project No. 101014);

3. Authorize the City Manager or his designee to accept the conveyance and record the appropriate instruments.

DISCUSSION:

The land rights in the subject property are needed for the reconstruction and widening of Avondale Haslet Road from Willow Creek Drive to the eastern city limits of the City of Haslet at John Day Road (City Project No.101014). This project consists of widening and reconstructing approximately 2.4 miles of the existing two-lane asphalt roadway to a four-lane, divided, concrete urban arterial. The roadway improvements include improved drainage collection and drainage crossings designed for a 100-year storm, street illumination, ten-foot shared-use paths and traffic signal improvements at three intersections along Avondale Haslet Road.

An independent appraisal established the property's fair market value and the property owner has agreed to the negotiated amount of \$125,000.00 as total compensation for the needed right-of-way easement interest (as shown below). The City of Fort Worth will pay estimated closing costs in an amount up to \$3,500.00.

Upon City Council approval, staff will proceed with acquiring the needed right-of-way easement interest.
