RECOMMENDATION:

It is recommended that the City Council authorize the temporary closure of 9th Street between Commerce Street and Calhoun Street from May 31, 2022 to August 31, 2022 for construction activities.

DISCUSSION:

The City of Fort Worth Transportation and Public Works Department (TPW) requests the temporary closure of 9th Street between Commerce Street and Calhoun Street for the construction of two projects by Oncor Electric in close proximity. These projects are the 27-story Deco 969 residence and the future expansion of the Texas A&M School of Law complex. Construction will include constructing two electric vaults; one to serve Deco 969 between Commerce Street and Calhoun Street and the other at the intersection of Calhoun Street & 9th Street to serve the future Texas A&M Law School expansion. After this closure expires on August 31, 2022 the Deco 969 project will still occupy the westbound lane of 9th Street for continued construction activities.

Traffic control plans for this project have been previously accepted.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
