RECOMMENDATION:

It is recommended that the City Council authorize the temporary closure of a section of Old Denton Road between Westport Parkway and Day Road from May 20, 2024 to January 22, 2025 for construction activities.

DISCUSSION:

The City of Fort Worth Transportation and Public Works Department on behalf of F.A. Peinado, LLC (Cinnamon Creek Developer's General Contractor) requests the temporary closure of a section of Old Denton Road between Westport Parkway and Day Road for paving improvements (City Project Number 104589). This project will consist of three phases to demolish the existing bridge and rebuild a larger one as well as widen the existing Old Denton Road. Access will be available at all times to residents and local businesses. The Development Services project manager has confirmed that the public has been notified of the project and informed of closure and traffic control plans for this project have been previously accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
