(ALL) Ratify Application for and Acceptance of, if Awarded, FY25 Regional Tire Collection Events Grant Funding from the North Central Texas Council of Governments in the Amount Up to \$3,000.00, Authorize Execution of an Interlocal Agreement with North Central Texas Council of Governments for Reimbursement of Cost of Scrap Tire Collection Events, and Adopt Attached Appropriation Ordinance

RECOMMENDATION:

It is recommended that the City Council:

1. Ratify application for and acceptance of, if awarded, FY25 Regional Tire Collection Events Grant funding from the North Central Texas Council of Governments in the amount up to \$3,000.00;
 2. Authorize execution of an interlocal agreement with the North Central Texas Council of Governments for reimbursement of the cost of scrap tire collection events; and
 3. Adopt attached appropriation ordinance increasing estimated receipts and appropriations in the Grants Operating State Fund in an amount up to \$3,000.00 subject to the award and receipt of the grant, for the purpose of funding the North Central Texas Council of Governments tire collections events.

DISCUSSION:

The North Central Texas Council of Governments provides funds for sponsoring scrap tire collection events across the region. This allows cities and counties to host scrap tire collection events for residents or collect scrap tires from an illegal dump site on public property. If awarded, funds provided through this program would reimburse costs associated with tire collection events promoted in the City of Fort Worth.

The Environmental Services Department seeks funding to host up to two planned scrap tire collection events. If awarded, these planned events are for November 16, 2024, and tentatively February 22, 2025, at the East Regional Library parking lot, 6301 Bridge Street, Fort Worth, TX, from 8:00 AM to 1:00 PM. The East Regional Library is ideally located near the Environmental Collection Center to support the processing of these collected tires.

No local match is required. Indirect costs do not apply.

The performance period of this grant is anticipated to end on March 28, 2025.

These projects will serve All COUNCIL DISTRICTS.

A Form 1295 is not required because: This contract will be with a governmental entity, state agency or public institution of higher education: North Central Texas Council of Governments

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that upon approval of the above recommendations and adoption of the attached appropriation ordinance, funds will be available in the current operating budget, as appropriated, in the Grants Operating State Fund. The Environmental Services Department (and Financial Management Services) will be responsible for the collection and deposit of funds due to the City. Prior to an expenditure being incurred, the Environmental Services Department has the responsibility to validate the availability of funds. This is a reimbursement program.
