

Mayor and Council Communication

DATE: 03/11/25

M&C FILE NUMBER: M&C 25-0198

LOG NAME: 60REJECTICAPCONPIIANDARCADIATRIL

SUBJECT

(CD 4) Authorize Rejection of the Bid Received for ICAP CONTRACT PART II and Arcadia Trail

RECOMMENDATION:

It is recommended that the City Council authorize the rejection of the bid received for Large Diameter ICAP Pipe Burst project (City Project No. 101339) Contract 2018 at Various Locations within City Part II and Arcadia Trail.

DISCUSSION:

On December 11 and December 18, 2024, the Large Diameter ICAP Pipe Burst project (City Project No. 101339) Contract 2018 at Various Locations within City was advertised in the *Fort Worth Star-Telegram*. On January 16, 2025, the following bid was received.

| Bidder | Bid Amount |
|--|-------------------|
| William J. Schultz, Inc. dba Circle C Construction Company | \$7,796,570.00 |

The bid amount far exceeds the engineer's opinion of probable construction cost and city budget, therefore, staff recommends rejection of the bid.

Staff will review the project plans and specifications and make modifications in an attempt to reduce construction costs and increase interest from the contracting community. Staff intends to re-advertise the project for bids in the near future.

This project is located in COUNCIL DISTRICT 4.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that this recommendation will have no material effect on City funds.
