DISCUSSION:

The United States Department of Homeland Security (DHS) through the State of Texas, Office of the Governor, awards grants to jurisdictions across the state to enhance local capabilities to prevent, respond to and recover from acts of terrorism and natural disasters. The Homeland Security Grant Program (HSGP) encourages jurisdictions to strengthen local and regional preparedness efforts and to seek benefits available through cooperative action.

Funding awarded as part of the 2021 Funding Reallocation of the Urban Area Security Initiative (UASI) grant will be used by Fort Worth public safety and disaster support organizations to maintain and improve the community's capacity to prepare for, prevent, respond to, and recover from terrorism incidents and other natural disasters. Fort Worth has been offered the opportunity to participate in the HSGP each year since 2005, receiving over \$56,000,000.00 in grant funds to supplement local and regional preparedness efforts. The Fire Department's Grant Management team coordinates with City departments in the development and implementation of grant funded projects in the areas of threat assessment, risk reduction, capability sustainment, plan development, public education and training. This award consists of unused funds from the 2021 UASI grants that have been reallocated for additional projects. The projects are as follows:

- Urban Area Security Initiative Grant 4923901 Drone Detection Sensors (RTCC/ESU) \$42,000.00
- Urban Area Security Initiative Grant 4923701 First Responder Radios \$256,903.14

- Urban Area Security Initiative Grant 4923801 Office of Emergency Management Vehicle \$110,000.00

The grants have no local match requirement.

Since no City salaries will be charged, indirect cost recovery does not apply.

A Form 1295 is not required because: This contract will be with a governmental entity, state agency or public institution of higher education: Department of Homeland Security - Federal Emergency Management Agency

FISCAL INFORMATION / CERTIFICATION:

The Fire Department (and Financial Management Services) will be responsible for the collection and deposit of funds due to the City. Prior to any expenditure being incurred, the Fire Department has the responsibility to validate the availability of funds. This is a reimbursement grant.
