Motion: Mayor Pro tem Bivens made a motion, seconded by Council Member Hill, that Resolution No. 6030-12-2024 be adopted.

Council Member Williams made a substitute motion, seconded by Council Member Nettles, that the City Council postpone the final decision to hire the City Manager and establish a transparent and inclusive process to ensure meaningful public input, stakeholder engagement, and trust in the selection process.

The original recruitment plan shared by our HR Department on September 6, 2024, outlined a comprehensive strategy for the hiring process, including a clear timeline, public engagement, and stakeholder collaboration. Since the City Council refused to comply with the principles and steps outlined in this plan, I propose restarting this process to ensure it aligns with those best practices and the expectations of our residents.

This revised process should include the following steps:

1. Candidate Profile Development:

- Collect input from City Council Members, community stakeholders, and staff to define the qualifications, competencies, and personal attributes needed for the next City Manager.
- Use this input to develop a candidate profile that reflects the needs and values of Fort Worth.

2. Public Comment Period and Engagement:

- Hold at least two public forums or hearings where residents can express their views and provide feedback on the qualifications and vision for the City Manager.
- Solicit input from key stakeholders, including neighborhood associations, business groups, and civic organizations, to ensure diverse perspectives are considered.

3. Candidate Screening and Presentation:

- Allow all applicants, including current finalists, the opportunity to reapply under this improved process.

- Require all applicants to submit conflict of interest statement and financial disclosure to identify any financial ties or relationships with the City of Fort Worth.
- Present a narrowed list of semifinalist candidates to City Council, along with a summary of public input gathered through forums and surveys.

4. Stakeholder Meet and Greet:

- Organize a public meet-and-greet event for all finalists to provide opportunities for residents and stakeholders to engage directly with the candidates.
- Collect feedback from attendees through volunteer surveys to inform the Council's decision.

5. Selection Process:

- Conduct final interviews with all City Council members, department heads, and key city executives to ensure a collaborative evaluation process.
- Incorporate feedback from public forums, surveys, and stakeholder engagements into the final selection process.

6. Timeline and Transparency:

- Develop a clear, updated timeline for this process and communicate it publicly to ensure accountability and transparency at every step.

By restarting the process and adhering to the principles outlined in the September 6 plan, we affirm our commitment to a fair, transparent, and inclusive process that strengthens public trust and ensures the legitimacy of our decision. I urge my colleagues to support this motion in the best interest of the residents of Fort Worth.
