LOG NAME: 20IH-30 MAINTENANCE AGREEMENT

SUBJECT

(CD 3 and CD 7) Adopt a Resolution Authorizing Execution of an Agreement for Construction, Maintenance, and Operation of Safety Lighting Systems at Interstate Highway 30 from Linkcrest Drive to Interstate Highway 820 with Texas Department of Transportation

RECOMMENDATION:

It is recommended that the City Council adopt the attached resolution authorizing execution of an agreement for construction, maintenance, and operation of the safety lighting systems at Interstate Highway 30 from Linkcrest Drive to Interstate Highway 820 with Texas Department of Transportation.

DISCUSSION:

The City of Fort Worth has requested the Texas Department of Transportation (TxDOT) to contribute financial aid in the construction, maintenance, and operation of the safety lighting systems within Interstate Highway 30 from Linkcrest Drive to Interstate Highway 820. TxDOT has agreed to construct the safety lighting system at its cost with the City assuming maintenance and operational obligations. Increases in maintenance costs are negligible as this is new equipment and is not expected to malfunction over the initial lifecycle.

With the design work being complete, TxDOT has reached out to the City to maintain the street illumination.

Staff agrees that the division of the safety lighting system construction, maintenance, and operation responsibilities are fair and equitable.

A Form 1295 is not required because: This contract will be with a governmental entity, state agency or public institution of higher education: Texas Department of Transportation
