## **DISCUSSION:**

On July 26, 2022, the Fort Worth Independent School District (FWISD) Board of Trustees approved the City of Fort Worth (City) as a full service provider with Fort Worth After School for the 2022-2023 school year. The City will receive up to \$244,243.00 for the program at Greenbriar, De Zavala, D. McRae, and Seminary Hills Elementary Schools, Daggett Montessori and Daggett Middle School. FWISD will reimburse the City through its general funds based on actual expenditures, not budgeted amounts. The City will submit monthly invoices to FWISD for reimbursement. No advanced funding will be provided and up to 10 percent in administrative costs can be included as part of the budget.

The goals of the program are (1) to provide opportunities for academic enrichment, including providing tutorial services to help children, particularly students who attend low-performing schools, to meet State of Texas and local student academic achievement standards in core academic subjects such as reading, mathematics, and science; and (2) to offer participating students a broad array of additional services, programs, and activities that are designed to reinforce and complement the students' regular academic program.

The term of this agreement will be for one year, effective August 1, 2022 and expiring June 30, 2023. This is the fifth renewal of five, one-year renewal options.

The schools are located in COUNCIL DISTRICTS 5 and 9.

A Form 1295 is not required because: This contract will be with a governmental entity, state agency or public institution of higher education: Fort Worth Independent School District
