**RECOMMENDATION:**

**DISCUSSION:**

The City of Fort Worth Transportation and Public Works Department (TPW) requests the temporary closure of the southbound Hulen Street ramp from the ramp entrance to Micki Lynn Avenue and the northbound section of Micki Lynn Avenue from West Vickery Boulevard to Driskell Boulevard for the installation of a retaining wall on West Vickery Boulevard and Micki Lynn Avenue. This closure is necessary due to the close proximity of the ramp and the retaining wall construction zone. Traffic control plans for this project have been previously accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.
