SUBJECT

(CD 10) Authorize the Extension of the Temporary Closure of a Section of Old Denton Road between Westport Parkway and Day Road from March 25, 2025 to June 30, 2025 for Construction Activities

RECOMMENDATION:

It is recommended that the City Council authorize the extension of the temporary closure of a section of Old Denton Road between Westport Parkway and Day Road from March 25, 2025 to June 30, 2025 for construction activities.

DISCUSSION:

In January 2025, by Mayor and Council Communication (M&C) 25-0041, the City Council extended the temporary closure of a section of Old Denton Road between Westport Parkway and Day Road until March 25, 2025 for paving improvements (City Project No. 104589). This extension was necessary due to weather and unforeseen issues.

The purpose of this M&C is to further extend the temporary closure from March 25, 2025 to June 30, 2025 due to redesign and schedule changes.

The Development Services Project Manager has confirmed that the public has been notified of the closure extension. The traffic control plans for this project have been previously accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
