DATE: 06/09/26

M&C FILE NUMBER: M&C 26-0474

LOG NAME: 21CPN 103649 P2.4&2.4A PASLAY VENT. - SOUTHSIDE II CITY MAIN

SUBJECT

(CD 8) Authorize Acquisition of Approximately 1.2696 Acres in Permanent Water Easements and 0.8162 Acres in Temporary Construction Easements from Property Owned by Paslay Ventures, Inc. Located at 1010, 1100, and 1156 East Rendon Crowley Road, Burleson, Tarrant County, Texas 76028 in the Amount of \$241,762.00 and Pay Estimated Closing Costs in an Amount Up to \$2,500.00 for a Total Cost of \$244,262.00 for the Southside II Water Main Alignment City Transmission Main Project

RECOMMENDATION:

It is recommended that the City Council:

1. Authorize acquisition of approximately 1.2696 acres in permanent water easements and 0.8162 acres in temporary construction easements from property owned by Paslay Ventures, Inc. located at 1010, 1100, and 1156 East Rendon Crowley Road, Burleson, Tarrant County, Texas 76028 for the Southside II Water Main Alignment Study City Main project (City Project No. 103649);
2. Find that the total purchase price of \$241,762.00 is just compensation and pay estimated closing costs in an amount up to \$2,500.00 for a total cost of \$244,262.00; and
3. Authorize the City Manager or his Designee to accept the conveyance and record the appropriate instruments.

DISCUSSION:

The purpose of this Mayor and Council Communication (M&C) is to authorize acquisition of approximately 1.2696 acres in permanent water easements and 0.8162 acres in temporary construction easements from property owned by Paslay Ventures, Inc. located at 1010, 1100, and 1156 East Rendon Crowley Road, Burleson, Tarrant County, Texas 76028 for the Southside II Water Main Alignment Study City Main project (City Project No. 103649).

The land rights in the subject property are needed to provide additional water capacity to the City of Crowley to support the rapid development in the area (City Project No. 103649). The project includes the installation of approximately 7,750 linear feet of 24-inch water transmission main. Sections of the water main will be constructed by methods other than the open cut, including the crossings of West Rendon Crowley Road, Hemphill Street, Union Pacific Railroad, and Interstate Highway 35W. The remainder of the project will be installed by open cut at an average depth around 6-8 feet to top of pipe. The project is anticipated to begin construction in fall of 2026.

An independent appraisal established the property's Fair Market Value and the Property Owner has agreed to the amount of \$241,762.00 as just compensation for the needed property interests as shown below. The City of Fort Worth will pay estimated closing costs in an amount up to \$2,500.00.

Upon City Council approval, staff will proceed with acquiring the needed water easement and temporary construction easement interests.

Funding is budgeted in the W&S Revenue Bonds Series 2023 Fund for the Property Management Department for the purpose of funding the Southside II Water Main Alignment Study - City Main Project.

This property is located in COUNCIL DISTRICT 8.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that funds are currently available in the current capital budget, as previously appropriated, in the W&S Rev Bonds Series 2023 Fund for SS II W Main Align (Study) project to support approval of the above recommendations and acquisition of easement. Prior to an expenditure being incurred, the Property Management and Water Department have the responsibility of verifying the availability of funds.
