Any private parks, facilities, and buildings will be unaffected by the annexation; provided, however, that the City will provide for maintenance and operation of the same upon acceptance of legal title thereto by the City and appropriations therefor. In the event the City acquires any other parks, facilities, or buildings necessary for City services within the Property, the appropriate City department will provide maintenance and operations of the same.

the City water and sewer system, then the owner may request a connection and receive up to 200 linear feet of water and sewer extension at the City's cost for each occupied lot or tract in accordance with the City's "Policy for the Installation of Community Facilities" and applicable law. Once connected to the City's water and sanitary sewer mains, the water and sanitary sewage service will be provided by the City at rates established by City ordinances for such service.

- x. Solid Waste Services – The City will provide solid waste collection services in accordance with existing City ordinances and policies, except where prohibited by law.
 - xi. Code Compliance – The City's Code Department will provide education, enforcement, and abatement relating to code violations within the Property.
 - xii. Full Municipal Services – Commencing on the Effective Date, the City will provide to the Property all services provided by the City within its full-purpose boundaries and not otherwise listed above, except as provided in Section 3(b).
- b. The City will provide water service and wastewater treatment service to developments established after the Effective Date in accordance with, and on the schedule determined by, the City's extension policies and applicable law and at rates established by City ordinances for such services.
 - c. It is understood and agreed that the City is not required to provide a service that is not included in this Agreement.
 - d. Owner understands and acknowledges that the City departments listed above may change names or be re-organized by the City Manager. Any reference to a specific department also includes any subsequent City department that will provide the same or similar services.
- 4. The parties acknowledge that they are of equal bargaining power and that each of them was represented by legal counsel in the negotiation

and drafting of this Agreement.

9. **NO WAIVER.** The failure of either party to insist upon the performance of any term or provision of this Agreement or to exercise any right granted hereunder shall not constitute a waiver of that party's right to insist upon appropriate performance or to assert any such right on any future occasion.
10. **GOVERNMENTAL POWERS.** It is understood that by execution of this Agreement, the City does not waive or surrender any of its governmental powers or immunities.
11. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.
