

# A Resolution

NO. \_\_\_\_\_

**WHEREAS**, the City of Fort Worth Transportation and Public Works Department, has requested that the City Council approve the physical closing of a portion of Stella Street, between East Vickery Boulevard and Luxton Street, under the Fort Worth and Western Railroad (FWWR) bridge to vehicular traffic; and

**WHEREAS**, this street closure is required to prevent a catastrophic failure of the FWWR bridge due to vehicles rubbing against or crashing into the bridge; and

**WHEREAS**, the City Plan Commission reviewed the request on October 13, 2021, and recommends that the request be approved.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF FORT WORTH, TEXAS:**

That of a portion of Stella Street, between East Vickery Boulevard and Luxton Street, under the Fort Worth and Western Railroad bridge, as more particularly depicted in the attached Exhibits\ "A," be physically closed subject to the following:

- 1) Access into the closed street shall be allowed for maintenance of water, sewer, electric, cable, and telephone utility facilities, unless other satisfactory arrangements are made, including relocation at the applicant's expense; and
- 2) The right-of-way be physically closed with an acceptable barricade or other satisfactory arrangements approved by the City of Fort Worth Department of Transportation and Public Works.

The City shall retain title to the public right-of-way in said street and any and all easements for existing and prospective utilities, and retaining the right of access at all times for the purpose of maintaining existing and prospective utility facilities and for emergency access:

In addition, the City reserves the right, at the sole discretion of the City Council, to reopen by resolution the aforesaid streets and alleys at any time by directing the removal of any barricade or other means of closure.

Adopted this \_\_\_\_\_ day of \_\_\_\_\_ 2022.
