DISCUSSION:

The purpose of this Mayor and Council Communication (M&C) is to seek approval to acquire a portion of the abandoned railroad corridor located at 7091 Camp Bowie Boulevard, Fort Worth, Tarrant County, Texas 76116 for the Park & Recreation Department (PAR) to construct a 12' wide shared-use Bomber Spur Trail from Calmont Avenue to West Vickery Boulevard. When completed, the Bomber Spur Trail will feature a 12' wide paved trail, neighborhood trailheads, a pedestrian bridge over Camp Bowie Boulevard, retaining walls and ramps, landscape amenities, and street crossing signals.

Title research by Republic Title and 7 Arrows Land Staff, LLC established a chain of heirship for the previous owner of the subject property. Alamo Title Company provided a title commitment with Ginger Rethia Seybold as the vested owner.

The sellers have agreed to sell the properties to the City of Fort Worth and the purchase prices are supported by independent appraisals. The mineral estates will not be acquired and the deeds will contain a surface use waiver for the exploration of the mineral estates. The City will be responsible for taxes due up to the closing date. The City will pay closing costs in an amount up to \$10,000.00.
