**DISCUSSION:**

In June 2023, by Mayor and Council Communication (M&C) 23-0468, the City Council approved the temporary closure of a section of Trail Lake Drive from Wyndale Court to Manderly Place until August 13, 2023 for stormwater improvements (City Project Number C01669 and City Project Number C01957) to install 500 linear feet of 8-foot x 5-foot storm box.

The purpose of this M&C is to extend the scheduled temporary closure end date from August 13, 2023 to January 9, 2024 due to flooding on site, utility conflicts, easement acquisition, grading concerns, and field changes to inlet types during construction.

Traffic control plans for this project have been previously accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.
