LOG NAME: 20TEMPORARY CLOSURE OF A SECTION OF OLD CLEBURNE CROWLEY ROAD

SUBJECT

(CD 6) Authorize the Temporary Closure of an 80 Foot Section of Old Cleburne Crowley Junction Road Between Dublin Ridge Lane and West Cleburne Crowley Road from October 28, 2020 to November 11, 2020 for Construction Activities

RECOMMENDATION:

It is recommended that the City Council authorize the temporary closure of an 80 foot section of Old Cleburne Crowley Junction Road between Dublin Ridge Lane and West Cleburne Crowley Road from October 28, 2020 to November 11, 2020 for construction activities.

DISCUSSION:

The City of Fort Worth Transportation and Public Works Department (TPW) requests the temporary closure of an 80 foot section of Old Cleburne Crowley Junction Road between Dublin Ridge Lane and West Cleburne Crowley Road to install multiple 10 foot X 7 foot storm box culverts and construct new concrete headwalls (City Project No. 102565). This section of Old Cleburne Crowley Junction Road is a 22 foot wide asphalt roadway and given the size of the storm boxes the closure is necessitated in the interests of public safety.

Traffic control plans for this project have previously been accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
