M&C FILE NUMBER: M&C 19-0084

LOG NAME: 21PMD 500 OLD HWY 1187- PARCEL 13 &14

SUBJECT

Authorize Acquisition of Permanent Water Facility Easement and Temporary Construction Easement Interests in Approximately 0.596 Acres of Land Located at 500 Old Highway 1187 in the Joseph Martin Survey, Abstract 1017 Tract 1A11A & 1A14, Tarrant County, Fort Worth, Texas, from Property Owned by Ronald J. Price for the Southgate Waterline Project for a Total Purchase Price of \$135,000.00 and Pay Estimated Closing Costs in the Amount Up to \$2,000.00, for a Total Cost of \$137,000.00 (COUNCIL DISTRICT6)

RECOMMENDATION:

It is recommended that the City Council:

1. Authorize acquisition of Permanent Water Facility Easement and Temporary Construction Easement interests in approximately 0.596 Acres of Land Located at 500 Old Highway 1187 in the Joseph Martin Survey, Abstract 1017 Tract 1A11A & 1A14, Tarrant County, Fort Worth, Texas, from Property Owned by Ronald J Price;
2. Find that the total purchase price of \$135,000.00 for the easement interests is just compensation and pay total estimated closing costs in the amount up to \$2,000.00; and
3. Authorize the City Manager or his designee to accept the conveyances and record the appropriate instruments.

DISCUSSION:

The land rights in the subject property are needed for water improvements for the Southgate Waterline Improvement Project (CPN 101541) located at the East Corner of Interstate 35W and FM 1187 Rendon Crowley Road. The land owner has agreed to \$135,000.00 as total compensation for the easement interests.

The City will pay estimated closing costs in the amount up to \$2,000.00. Upon City Council approval, staff will proceed with acquiring the water facility and temporary construction easement interests in the property.

The City is participating with Ware Vista #1, L.L.C. ("Developer") in the engineering and construction of a 12-inch and a 24-inch water mains near the southeast corner of I-35W and FM 1187. The Developer is designing and constructing the Southgate Marketplace development ("Project") at the SE Corner of Interstate 35W and FM 1187 Rendon Crowley Road. The Developer has retained Pacheco Koch as the engineering design consultant for the off-site water main needed for the Developer's Project. Staff has asked the Developer to expand the scope of the design to include 12-inch and 24-inch water mains that will provide assistance to the City of Crowley water service to switch from a higher pressure plane to a lower pressure plan and add additional capacity to address future growth in South Fort Worth.
