DISCUSSION:

Pacheco Koch Consulting Engineers, on behalf of Fort Worth ISD, has requested vacation of a portion of this alley to be replatted with the adjoining property for additional parking and access for the Young Mens Leadership Academy. The City Plan Commission recommended approval of this request at its meeting on February 26, 2020. An acceptable final plat (FS-20-114) has been received in accordance with the Subdivision Ordinance.

The City of Fort Worth (City) originally obtained the above mentioned right-of-way through plat dedication. The City does not own any fee interest in the rights-of-way or own any property adjacent to the right-of-way and did not expend any City funds to purchase the right-of-way easement. In accordance with the City's policy regarding street and alley vacation transactions approved by the City Council on March 6, 2007, Mayor and Council Communication (M&C G-15624), staff recommends waiving the fair market value or any portion thereof of purchase price of this right-of-way easement for the alley.

This project is located in COUNCIL DISTRICT 5.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of these recommendations will have no material effect on City funds.
