## **DISCUSSION:**

Since 1999, the City of Fort Worth has worked cooperatively with the United States Department of Justice, Drug Enforcement Administration (DEA) to address the problem of drug trafficking in North Texas through various task forces. The Texoma High Intensity Drug Trafficking Areas (HIDTA) Task Force Group 2 SURGE seeks to disrupt the illicit drug traffic in the City of Fort Worth by immobilizing targeted violators and trafficking organizations, gathering and reporting intelligence data relating to trafficking of narcotics and other dangerous drugs, and by conducting undercover operations where appropriate.

The task force will also engage in other traditional methods of investigations in order that the task force's activities will result in effective prosecution in both State and federal courts.

The Fort Worth Police Department currently will assign one officer to the Texoma HIDTA Task Force Group 2 SURGE. The City of Fort Worth will be reimbursed by the DEA for overtime expenses related to the department's participation in the task force in an amount not to exceed \$18,649.00. Benefits such as retirement, FICA and other expenses are not reimbursable. No matching funds are required. This is a reimbursement agreement and indirect costs are prohibited.

This task force serves ALL COUNCIL DISTRICTS.

A Form 1295 is not required because: This contract will be with a governmental entity, state agency or public institution of higher education: Drug Enforcement Administration
