**SUBJECT: TEXAS COMPTROLLER TRANSPARENCY STARS**

The purpose of this Informal Report is to brief Mayor and Council on the Texas Comptroller of Public Accounts' Transparency Stars Program, the Transparency Stars currently held by the City, and ongoing compliance efforts.

The Texas Comptroller of Public Accounts Transparency Stars program recognizes local governments for going above and beyond in their transparency efforts. The program recognizes government entities that provide clear and meaningful financial information by posting financial documents and other relevant information publicly. The Comptroller conducts regular reviews of each awardee, so it is essential that data be consistently updated to maintain ongoing accuracy and completeness.
