**DISCUSSION:**

In 2019, discussions between the City and Tarrant County culminated with a mutually beneficial agreement to reconstruct Everman Parkway from Oak Grove Road to the Everman City limits. Part of that agreement included a commitment from the County to cost-share in the project with up to \$750,000.00 in reimbursable funds.

Tarrant County will reimburse the City of Fort Worth for material and road milling service costs for the roadway improvements on Everman Parkway in an amount not to exceed \$750,000.00. The reimbursement may vary depending upon the actual quantities required for construction. Construction began in spring 2020 and is currently in the final close-out stage. Upon completion of the project, there is no anticipated impact on the operating fund.

This project is located in COUNCIL DISTRICT 8.

A Form 1295 is not required because: This contract will be with a governmental entity, state agency or public institution of higher education: Tarrant County
