(CD 7 / Future CD 10) Authorize the Acquisition of a Right-of-Way Easement in 0.259 Acres from Real Property Owned by D.R. Moss Construction & Land Development Co. or an Affiliate, Located at 1801 Avondale-Haslet Road in the Coleman Boyd Survey, Abstract No. 212, Tract 1A01A in the City of Haslet, Tarrant County, Texas, in the Amount of \$114,826.00 and Pay Estimated Closing Costs in an Amount Up to \$5,000.00 for a Total Cost of \$119,826.00 for the Avondale Haslet Road Project (2018 Bond Program)

RECOMMENDATION:

It is recommended that the City Council:

1. Authorize the acquisition of a right-of-way easement in 0.259 acres from real property owned by D.R. Moss Construction & Land Development Co. or an affiliate, located at 1801 Avondale-Haslet Road in the Coleman Boyd Survey, Abstract No. 212, Tract 1A01A in the City of Haslet, Tarrant County, Texas, for the Avondale Haslet Road Project (City Project No. 101014);
2. Find that the total purchase price of \$114,826.00 is just compensation and pay estimated closing costs in an amount up to \$5,000.00 for a total cost of \$119,826.00; and
3. Authorize the City Manager or his designee to accept the conveyance and record the appropriate instruments.

DISCUSSION:

The right-of-way easement interest is needed for the reconstruction and widening of Avondale Haslet Road from Willow Creek Drive to the eastern city limits of the City of Haslet at John Day Road (City Project No.101014). This project consists of widening and reconstructing approximately 2.4 miles of the existing two-lane asphalt roadway to a four-lane, divided, concrete urban arterial. The roadway improvements include improved drainage collection and drainage crossings designed for a 100-year storm, street illumination, ten-foot shared-use paths and traffic signal improvements at three intersections along Avondale Haslet Road.

An independent appraisal established the property's fair market value and the property owner has agreed to the negotiated amount of \$114,826.00 as total compensation for the needed property interest (as shown below). The City of Fort Worth will pay estimated closing costs in the amount up to \$5,000.00.

As further consideration for the execution and delivery of the needed right-of-way, the City's Transportation and Public Works Department (TPW) has agreed to redesign the existing three-way intersection of Avondale Haslet Road and Willow Springs Road to operate as a four-way intersection by installing an additional traffic signal at the intersection and aligning the future access driveway at the northern property line with Willow Springs Road. The property owner will be responsible for obtaining approval to install the curb-cut for said future access driveway during the platting process at their sole cost and expense.

Upon City Council approval, staff will proceed with acquiring the needed property interests.
