In addition to mutual aid services, the City of Fort Worth provides automatic aid fire services to certain areas in the City of Haslet. The cities of Fort Worth and Haslet now wish to amend the agreement to expand the area where the Fort Worth Fire Department is to provide automatic aid for response services for calls in a designated area not easily accessed by the Haslet Fire Department as outlined in the agreement and referred to as LeTara. The Fort Worth Fire Department will be reimbursed at a rate of \$2,000.00 per response into the area known as LeTara for an estimated 50 responses per year.

This project will serve ALL COUNCIL DISTRICTS.
