LOG NAME: 20REVISED TEMPORARY CLOSURE OF A SECTION OF SYCAMORE

SUBJECT

(CD 6) Ratify the Extension of the Temporary Closure of a Section of Sycamore School Road between Old Granbury Road to Chisholm Trail Parkway from July 19, 2024 to September 19, 2024 for Construction Activities

RECOMMENDATION:

It is recommended that the City Council ratify the extension of the temporary closure for a section of Sycamore School Road between Old Granbury Road to Chisholm Trail Parkway from July 19, 2024 to September 19, 2024 for construction activities.

DISCUSSION:

The City of Fort Worth Transportation and Public Works Department recommends that the City Council ratify the extension of the temporary closure end date from July 19, 2024 to September 19, 2024. In June 2024, by M&C 24-0569, the City Council approved the temporary closure of a section of Sycamore School Road between Old Granbury Road to Chisholm Trail Parkway from May 19, 2024 to July 19, 2024 for stormwater, street paving, and water improvements (City Project Nos. 104256 and 104666). This project is not yet finished due to several days of inclement weather over the past few months and the contractor has requested an extension to the closure.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
