

City of Fort Worth, Texas

Mayor and Council Communication

DATE: 12/09/25 **M&C FILE NUMBER:** M&C 25-1152

LOG NAME: 20SWM CITYWIDE STORMDRAIN IMPROVEMENTS

SUBJECT

(ALL) Authorize the Rejection of All Bids Received for the 2025 Citywide Storm Drain Rehabilitation Open-Cut Project

RECOMMENDATION:

It is recommended that the City Council authorize the rejection of all bids received for the 2025 Citywide Storm Drain Rehabilitation Open-Cut project (City Project No. 102527).

DISCUSSION:

This Mayor and Council Communication (M&C) is to reject all bids received for the 2025 Citywide Storm Drain Rehabilitation Open-Cut project (City Project No. 102527).

The purpose of the project is to extend, replace, and/or improve existing City drainage infrastructure. Work on individual locations would be authorized by work orders. The contract award amount was to be capped at \$2,000,000.00.

This project was advertised in the *Fort Worth Star-Telegram* on March 26, 2025, and April 2, 2025. On April 24, 2025, the following bids were received:

Bidders	Amount
David-Tehoungue Ltd. Co.	\$20,201,165.00
Woody Contractors, Inc.	\$26,621,735.00

The City’s pre-qualification requirements were not met by the lowest bidder, leaving a single qualified firm available for award. The intent of this bid opportunity was to have multiple contractors available for on-call work at established unit prices. Therefore, the staff recommends rejection of all bids. Staff intend to advertise the project at a later date.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
