SUBJECT

(CD 10) Authorize the Extension of the Temporary Closure for a Section of Old Denton Road between Westport Parkway and Day Road from January 22, 2025 to March 25, 2025 for Construction Activities

RECOMMENDATION:

It is recommended that the City Council authorize the extension of the temporary closure for a section of Old Denton Road between Westport Parkway and Day Road from January 22, 2025 to March 25, 2025 for construction activities.

DISCUSSION:

In May 2024, by Mayor and Council Communication (M&C) 24-0394, the City Council approved the temporary closure of a section of Old Denton Road between Westport Parkway and Day Road until January 22, 2025 for paving improvements (City Project No. 104589).

The purpose of this M&C is to extend the temporary closure end date from January 22, 2025 to March 25, 2025 due to weather and unforeseen issues.

This closure was initially requested by the City of Fort Worth Transportation and Public Works Department on behalf of F.A. Peinado, LLC. The Development Services Project Manager has confirmed that the public has been notified of the closure extension. The traffic control plans for this project have been previously accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
