**DALLAS FORT WORTH INTERNATIONAL AIRPORT BOARD  
OFFICIAL BOARD ACTION/RESOLUTION**

<b>Date</b> 05/12/2022	<b>Committee</b> Finance/Audit	<b>Subject</b> Easement for Pedestrian and Non-Motorized Vehicles	<b>Resolution #</b> 2022-05-108
---------------------------	-----------------------------------	--	------------------------------------

**Action**  
That the Cities of Dallas and Fort Worth are requested to grant the City of Fort Worth an easement on Airport property for pedestrian and non-motorized vehicles.

**Description**

- The requested easement is to accommodate a concrete pathway from the south end of the American Airlines Headquarters campus at Trinity Boulevard to the southern boundary of the Airport, along a tributary that parallels State Highway 360, as shown in the attachment hereto. The pathway will connect the American Airlines Headquarters to the Centreport TRE station and the River Legacy Trail.

**Justification**

- The easement is being requested by the Texas Department of Transportation, the City of Fort Worth, and American Airlines.
- The easement area is sandwiched between the tributary and the Highway 360 access road, and is an otherwise unusable part of American Airlines' leased premises. It has no potential for commercial development, and it will cost the Airport nothing to construct or maintain.
- Granting the easement for de minimis consideration is beneficial to the Airport for the sake of community relations.
