

February 11, 2026

City of Fort Worth

To Whom It May Concern:

On **January 12<sup>th</sup>, 2026** the Historic and Cultural Landmarks Commission (HCLC) considered the request for a recommendation to City Council to add the Highly Significant Endangered (HSE) Overlay to the structure located at 411 N Main Street, a.k.a. the TXU Power Plant, and made the following determination:

**That the HCLC recommend that City Council consider designating the structure (building and additions) at 411 N Main Street as Highly Significant Endangered (HSE) and that the Secretary of the Interior's Standards for the Treatment of Historic Properties be used when evaluating any proposed future change to the property.**

*An appeal to this decision may be submitted to the Board of Adjustment by written request to the City Secretary and the undersigned within 10 days of the hearing decision described above. No hearing shall be scheduled before the Board of Adjustment until the required filing fee of \$400 has been paid to the Development Services Department.*

Please contact the Development Services Department if you would like further direction regarding your application and the decision of the HCLC at (817) 392-8000.

Sincerely,

Lorelei Willett  
Historic Preservation Officer
