DISCUSSION:

The City of Fort Worth is authorized, under Section 34.05 of the Texas Tax Code, to conduct a sale of tax-foreclosed properties through a sealed bid sale in accordance with Section 272.001 of the Texas Local Government Code. On June 30, 2023, July 7, 2023, July 14, 2023 and July 21, 2023, the Property Management Department advertised a list of tax-foreclosed properties for a sealed bid sale. On July 27, 2023, the bids were received and opened in accordance with the policies regulating the sale of tax-foreclosed properties. The bidding procedures require that a bank-certified-funds-available letter be included with any bid. In the event full payment is not made on these bids, staff will contact the next highest bidder and proceed in that manner until full payment is received. The properties advertised for sale and associated bid results are included in the tax-foreclosure sale list attached to this Mayor & Council Communication.

Each tax-foreclosed property described in the attached list will be conveyed through a Tax Resale Deed Without Warranty to the highest bidder upon full payment for the property. The bidders will be responsible for all closing costs related to these transactions, as well as any accrued post-judgment taxes. A program administrative fee will be collected from the proceeds of the sale of each property.

Upon receipt, the aggregate amount of \$556,114.17 will be deposited into the General Fund, Tax-Foreclosed Property Sale Fee account for disbursement to the County for the purpose of distributing proceeds to the taxing entities and paying applicable fees.

The Development Services Department has reviewed the current zoning of the properties and has determined that the zoning classifications are compatible with respect to existing land uses of the surrounding neighborhood and future land use designations indicated in the Comprehensive Plan.

The properties are located in COUNCIL DISTRICTS 2, 5, 8 and 11.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that upon approval of the above recommendations and the authorization of the sale of property, the funds will be deposited into the General Fund. The Property Management Department (and Financial Management Services) is responsible for the collection, deposit and reimbursement of funds due to the City.
