**SUBJECT**

(CD 8) Adopt Attached Ordinance Vacating an Alley in Block 8, Graham Park Addition to be Replatted with the Adjoining Property for a New ONCOR Substation

---

**RECOMMENDATION:**

It is recommended that the City Council:

1. Adopt the attached ordinance vacating an alley in Block 8, Graham Park Addition to be replatted with the adjoining property for a new ONCOR substation; and
  2. Waive any and all purchase fee value of the vacated land in accordance with City policy.
- 

**DISCUSSION:**

Kimley-Horn, on behalf of ONCOR, has requested vacation of this alley to be replatted with the adjoining property for a ONCOR substation. The City Plan Commission recommended approval of this request at its meeting on January 27, 2021. An acceptable final plat (FS-21-215) has been received in accordance with the Subdivision Ordinance.

The City of Fort Worth (City) originally obtained the above mentioned right-of-way through plat dedication. The City does not own any fee interest in the rights-of-way or own any property adjacent to the right-of-way and did not expend any City funds to purchase the right-of-way easement. In accordance with the City's policy regarding street and alley vacation transactions approved by the City Council on March 6, 2007, Mayor and Council Communication (M&C G-15624), staff recommends waiving the fair market value or any portion thereof of purchase price of this right-of-way easement for the alley.

This project is located in COUNCIL DISTRICT 8.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.
