RECITALS,

The parties agree that the following recitals are true and correct and form the basis upon which the parties have entered into this Agreement.

WHEREAS, Section 43.0671 of the LGC permits the City to annex an area if each owner of land in an area requests the annexation;

WHEREAS, where the City elects to annex such an area, the City is required to enter into a written agreement with the property owner(s) that sets forth the City services to be provided for the Property on or after the effective date of annexation (the "Effective Date");

WHEREAS, Owner owns certain parcels of land situated in Tarrant County, Texas, which consists of approximately 77.9231 acres of land in the City's extraterritorial jurisdiction, such property being more particularly described and set forth in Exhibit "A" attached and incorporated herein by reference ("Property");

WHEREAS, Owner has filed a written request with the City for full-purpose annexation of the Property, identified as Annexation Case No. AX-21-016 ("Annexation Case");

WHEREAS, City and Owner desire to set out the City services to be provided for the Property on or after the effective date of annexation;

WHEREAS, the Annexation Case and execution of this Agreement are subject to approval by the Fort Worth City Council; and

NOW THEREFORE, in exchange for the mutual covenants, conditions and promises contained herein, City and Owner agree as follows:

1. **PROPERTY.** This Agreement is only applicable to the Property, which is the subject of the Annexation Case.

 - v. Parks and Recreational Facilities. Residents of the Property will be permitted to utilize all existing publicly-owned parks and recreational facilities and all such facilities acquired or constructed after the Effective Date (including community service facilities, libraries, swimming pools, etc.), throughout the City. Any private parks, facilities, and buildings will be unaffected by the annexation; provided, however, that the City will provide for maintenance and operation of the same upon acceptance of legal title thereto by the City and appropriations therefor. In the event the City acquires any other parks, facilities, or buildings necessary for City services within the Property, the appropriate City department will provide maintenance and operations of the same.
 - vi. Other Publicly Owned Buildings. Residents of the Property will be permitted to use all other publicly owned buildings and facilities where the public is granted access.

receive up to 200 linear feet of water and sewer extension at the City's cost for each occupied lot or tract in accordance with the City's "Policy for the Installation of Community Facilities" and applicable law. Once connected to the City's water and sanitary sewer mains, the water and sanitary sewage service will be provided by the City at rates established by City ordinances for such service.

- x. Solid Waste Services – The City will provide solid waste collection services in accordance with existing City ordinances and policies, except where prohibited by law.
 - xi. Code Compliance – The City's Code Department will provide education, enforcement, and abatement relating to code violations within the Property.
 - xii. Full Municipal Services – Commencing on the Effective Date, the City will provide to the Property all services provided by the City within its full-purpose boundaries and not otherwise listed above, except as provided in Section 3(b).
- b. The City will provide water service and wastewater treatment service to developments established after the Effective Date in accordance with, and on the schedule determined by, the City's extension policies and applicable law and at rates established by City ordinances for such services.
 - c. It is understood and agreed that the City is not required to provide a service that is not included in this Agreement.
 - d. Owner understands and acknowledges that the City departments listed above may change names or be re-organized by the City Manager. Any reference to a specific department also includes any subsequent City department that will provide the same or similar services.
4. **SERVICE LEVEL.** The City will provide the Property with a level of services, infrastructure, and infrastructure maintenance that is comparable to the level of services, infrastructure, and infrastructure maintenance available in other parts of the City with topography, land use, and population density similar to those reasonably contemplated or projected for the Property.

The parties acknowledge that they are of equal bargaining power and that each of them was represented by legal counsel in the negotiation and drafting of this Agreement.

8. **GOVERNING LAW AND VENUE.** Venue shall be in the state courts located in Tarrant County, Texas or the United States District Court for the Northern District of Texas, Fort Worth Division and construed in conformity with the provisions of Texas Local Government Code Chapter 43.
9. **NO WAIVER.** The failure of either party to insist upon the performance of any term or provision of this Agreement or to exercise any right granted hereunder shall not constitute a waiver of that party's right to insist upon appropriate performance or to assert any such right on any future occasion.
10. **GOVERNMENTAL POWERS.** It is understood that by execution of this Agreement, the City does not waive or surrender any of its governmental powers or immunities.
11. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.
