It is recommended that City Council amend M&C 19-0420 to extend the scheduled closure of Keller Haslet Road between Citrus Drive and Vista Greens Drive to August 11, 2020 for storm drain installation.

---

**DISCUSSION:**

The City of Fort Worth Transportation and Public Works Department (TPW) requests extending the closure of Keller Haslet Road between Citrus Drive and Vista Greens Drive to August 11, 2020 for storm drain installation based on a revised project schedule (City Project No. 101492). Due to the scope of work and the impact of large equipment needed to do this work and in the interests of public safety this extension of the closure is requested.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.
