DISCUSSION:

The Texas Department of transportation Commercial Motor Vehicle (CMV) grants are aimed at reducing the number of commercial motor vehicle crashes, injuries, and fatalities. The CMV grant will pay for the overtime hours of the police officers participating in the program. A local match of 20% is required.

CMV grant activities include enforcement of speed, seatbelt, DUI, and intersection traffic control laws. The total proposed direct program amount for Fiscal Year 2022 is \$82,500.00, which includes \$16,500.00 in match funds. Funds will be budgeted for overtime and associated fringe benefits for an estimated 1,000 enforcement hours with an additional estimate of 45 hours for administering the grant. The grant will also fund overtime, along with associated fringe benefits, to provide public information and education events.

Award of this grant and receipt of funds would not occur until Fiscal Year 2022. As for the City's required match, the Department has historically used the Justice Asset Forfeiture Fund to satisfy that requirement. Because sufficient balance exists in Fiscal Year 2021 in the Justice Asset Forfeiture Fund, staff recommends that \$16,500.00 be appropriated and transferred from the Fund to the Grants Operating Federal Fund. Because the Grant Fund is a life of project fund, the appropriated match will be carried over into the next fiscal year.

A portion of the award funds will be used to cover indirect costs at the Police Department's approved rate (currently 4.89%).

A Form 1295 is not required because: This contract will be with a governmental entity, state agency or public institution of higher education: Texas Department of Transportation

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that upon approval of the above recommendations and adoption of the attached appropriation ordinances, funds will be available in the current operating budget, as appropriated, in the Grants Operating Federal Fund and the Justice Asset Forfeiture Fund. The Police Department (and Financial Management Services) will be responsible for the collection and deposit of funds due to the City. Prior to an expenditure being incurred, the Police Department has the responsibility to validate the availability of funds. This is a reimbursement grant.
