**DISCUSSION:**

The purpose of this Mayor and Council Communication (M&C) is to request approval of awards of federal grant funds, as approved by M&C 24-0743, August 27, 2024, amending the City of Fort Worth's 2019-2020 Annual Action Plan, in regards to the use of funding received from the U.S. Department of Housing and Urban Development (HUD) under the Coronavirus, Aid, Relief, and Economic Security (CARES) Act Community Development Block Grant (CDBG-CV/CV3) program.

On August 6, 2019, the City Council, through M&C 19-0016, approved the City's 2019-2020 Annual Action Plan summarizing the major housing and community development activities and proposed expenditures for use of federal grant funds from HUD under various grant programs including the Community Development Block Grant (CDBG) program.

The CARES Act was signed into law on March 27, 2020, to respond to the impacts of the COVID-19 public health emergency. The CARES Act included provisions to help local governments prevent, prepare for, and respond to the coronavirus, including providing for additional allocations of formula grant funds under the CDBG program. The City Council previously awarded the additional allocations of CDBG-CV and CDBG-CV3 funding through M&Cs 20-0330, 20-0471, 20-0940, and 21-0016. Some of the funding received was allocated to cover administration expenses.

On August 27, 2024, the City Council, with M&C 24-0743, approved the staff's recommendation to again amend the 2019-2020 Annual Action Plan and re-allocate \$250,000.00 from administration to Public Service Agencies (PSAs) through a competitive Request for Proposal (RFP) process to address the following priorities:

- Elderly Services/Aging In Place
- Homelessness Prevention and Special Needs Support
