Jessamine Street in the Hyde Park Addition, Block 8, Lot 197, Tarrant County, Texas, were unsuccessful due to the inability to negotiate agreeable terms for the property interest being acquired by the City;

5. Authorize a payment pursuant to an award of commissioners or a negotiated settlement; and
6. Authorize the City Manager or his designee to accept and record the appropriate instruments.

DISCUSSION:

The property rights in the subject property are needed for the construction, operation, maintenance, replacement, upgrade and repair of the permanent sewer line facility on the Sanitary Sewer Rehabilitation Contract 100 project as necessary. This rehabilitation project will be for public use to repair damaged sewer lines, allow better flow within the sewer pipes and help prevent sewer backups between Station 9+46 and Station 12+50 on L-3738.

An independent appraisal established fair market value for the property interests (shown below) in the total amount of \$2,250.00. Negotiations were unsuccessful due to the inability to negotiate agreeable terms for the property interests being acquired by the City.

Upon approval, a condemnation action will be brought and a Special Commissioners' hearing held to acquire the permanent sewer easement interests on the property.
