SECTION 1.

Chapter 12.5 "Environmental Protection and Compliance," Article IV, "Groundwater and Surface Water Quality," Appendix A, "Municipal Setting Designation Sites in Fort Worth," of the Code of the City of Fort Worth (2015) as amended, is hereby amended by the addition of Section 24 to read as follows:

APPENDIX A – MUNICIPAL SETTING DESIGNATION SITES IN FORT WORTH

24. CFW-MSD-0035A

- (a) CFW-MSD-0035A is defined and designated as follows: Being a tract of land situated in the City of Fort Worth, Tarrant County, Texas and being more particularly described by metes and bounds description (Exhibit A) and map of CFW-MSD-0035A (Exhibit B).
- (b) The designated groundwater beneath CFW-MSD-0035A is shallow, perched, discontinuous groundwater that occurs at depths from ground surface to approximately fourteen (14) feet below the ground surface. The affected shallow groundwater is underlain by the Washita Group consisting of the Grayson Marl and Main Street Limestone on the eastern portion of the site, and the Pawpaw Formation, Weno Limestone, and Denton Clay on the western portion the site. The Grayson Marl and Main Street Limestone consists of interbedded limestone and marl with a thickness of 10-60 feet. The Pawpaw Formation, Weno Limestone, and Denton Clay consist of interbedded calcareous marl and layers of alternating clay, marl, and limestone with a thickness of 6-45 feet. The Washita Group serves as a regional aquitard preventing vertical migrations of the chemical of concern to underlying potable aquifers. The affected shallow groundwater is not a designated, recognized major or minor aquifer. The chemicals of concern detected in the designated groundwater are arsenic, lead, and manganese. The chemicals of concern are attributed to historical waste deposition of iron slag, foundry sand, and baghouse dust activities on the site.
- (c) The use of the designated groundwater in CFW-MSD-0035A for potable and irrigation purposes is hereby prohibited. This prohibition is necessary because the contaminant concentrations exceed potable water standards.
- (d) The City will provide advance written notice to the Texas Commission on Environmental Quality, as much as is practicable, prior to enacting an ordinance repealing or amending this section.

SECTION 2.

This ordinance shall be cumulative of all provisions of ordinances and of the Code of the City of Fort Worth, Texas (2015), as amended, except where the provisions of this ordinance are in direct conflict with the provisions of such ordinances and such Code, in which event conflicting provisions of such ordinances and such Code are hereby repealed.

SECTION 3.

It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses, and phrases of this ordinance are severable, and, if any phrase, clause, sentence, paragraph, or section of this ordinance shall be declared unconstitutional by the valid judgment or decree of any court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this ordinance, since the same would have been enacted by the City Council without the incorporation in this ordinance of any such unconstitutional phrase, clause, sentence, paragraph, or section.

SECTION 4.

Any person, firm, or corporation who violates, disobeys, omits, neglects, or refuses to comply with or who resists the enforcement of any of the provisions of this ordinance shall be fined not more than two thousand dollars (\$2,000.00) for each offense. Each day that a violation is permitted to exist shall constitute a separate offense.

SECTION 5.

All rights and remedies of the City of Fort Worth, Texas, are expressly saved as to any and all violations of the provisions of the ordinances amended in Section 1, which have accrued at the time of the effective date of this ordinance and, as to such accrued violations and all pending litigation, both civil and criminal, whether pending in court or not, under such ordinances, same shall not be affected by this ordinance but may be prosecuted until final disposition by the courts.
