LOG NAME: 2020TEMPORARY CLOSURE OF OLD BURLESON ROAD

SUBJECT

(CD 8) Authorize the Temporary Closure of a 2500-Foot Section of Old Burleson Road between East Risinger Road and Silver Lake Trail from January 4, 2021 to August 16, 2021, for Construction Activities

RECOMMENDATION:

It is recommended that the City Council authorize the temporary closure of a 2500-foot section of Old Burleson Road between East Risinger Road and Silver Lake Trail from January 4, 2021 to August 16, 2021, for construction activities.

DISCUSSION:

The City of Fort Worth Transportation and Public Works Department (TPW) requests the temporary closure of a 2500-foot section of Old Burleson Road between East Risinger Road and Silver Lake Trail to demolish the existing asphalt road, install water, sanitary sewer, storm drain lines, and repave with concrete (City Project Number 102969 and City Project Number 102970). This section of Old Burleson Road is a narrow 22-foot wide asphalt roadway and given the scope of work the closure is necessitated in the interest of public safety.

Traffic control plans for this project have previously been accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
