Project Description and Background

The site is located east of I-35 South Freeway and just north of IH 20. The applicant is proposing to rezone the property from “E” Neighborhood Commercial, “I” Light Industrial and “J” Medium Industrial to “I” Light Industrial for a wedding venue and RV parking storage. The subject property has a gas well in the middle of it. Both uses are allowed by right in “I” Light Industrial.

South: “K” Heavy Industrial / industrial uses with outdoor storage

West: I-35W South Freeway / Freeway

Recent Zoning History

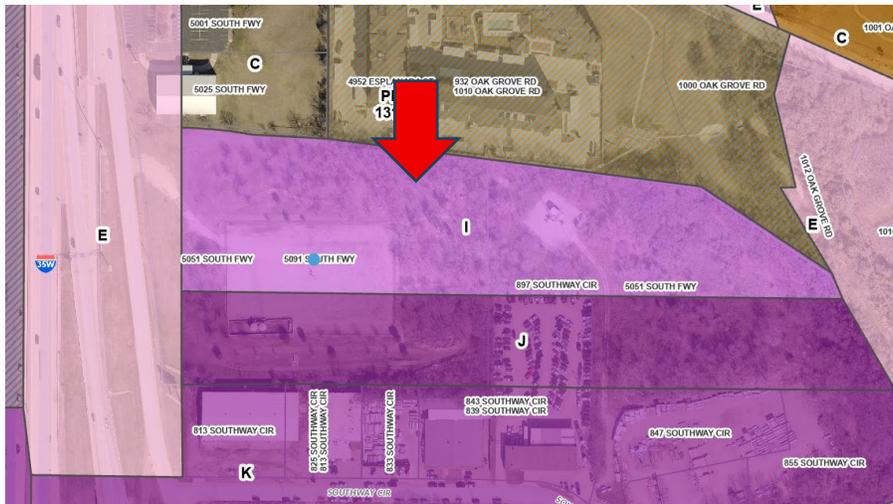

- PD1316: Planned Development for all uses in “D” High Density Multifamily excluding certain uses with a reduction in parking; site plan approved, Approved by Council 12/2021
- ZC-23-065: “G” Intensive Commercial, Approved by Council 6/2023
- ZC-25-187: Add a Conditional Use Permit in “K” Heavy Industrial for outdoor storage; site plan approved, Approved by Council 1/2026

Development Impact Analysis

Land Use Compatibility

Surrounding properties contain a mixture of land uses, including multifamily, commercial, industrial with outdoor storage and a vacant gas well. This site has direct access to I-35W frontage road for the gas well site and would require TXDOT approval for a second point of access.

The proposed zoning request for “I” Light Industrial **is compatible** with the surrounding land uses.

Comprehensive Plan Consistency – Sycamore Sector

The 2023 Comprehensive Plan designates the subject property as “Light Industrial” on the Future Land Use Map. The agricultural portion is located at the far east side of the property. While the requested zoning change **is consistent** with the Comprehensive Plan.

MU-2, I, All Commercial

This request **is consistent** with the following Comprehensive Plan policies:

- Separate incompatible land uses with buffers or transitional uses. Some land uses have attributes such as height, proportion, scale, operational characteristics, traffic generated, or appearance that may not be compatible with the attributes of other uses.
- Promote appropriate infill development of vacant lots, old commercial centers (greyfields), and contaminated sites (brownfields) within developed areas, particularly in the central city.
- Promote appropriate infill development of vacant lots within developed areas, which will efficiently utilize existing infrastructure, particularly in the central city.
