

MEMORANDUM

Date: April 17, 2026

To: Jessica McEachern, Assistant City Manager

From: Chris Harder, P.E. Water Director

Via: Doug Black, Senior Assistant City Attorney
Haven Wynne, Chief Procurement Officer

Subject: Amendment #2 – Emergency Contracts – Village Creek Biosolids Facility Operation

On April 2, 2025, the Water Department requested approval of emergency expenditures and contract procurement necessary to protect the public's health and safety during the transition from Synagro for operations and maintenance of the biosolids facility and processing and disposal of biosolids. The emergency authorization was approved on April 3, 2025.

Amendment No. 1 to the emergency authorization memorandum, approved on October 17, 2025 increased the value of the emergency contract with Renda Environmental, Inc (CSC 63050) from \$10,000,000 to \$16,000,000, and increased the contract value with Automation Nation, Inc (CSC 63055) from \$500,000 to \$575,000.

Amendment #2 further revises the cost estimate for Renda Environmental from \$16,000,000 to \$17,098,133.66. Approval of this Amendment No. 2 to the emergency authorization memorandum will be followed up with a change order to CSC 63050, the emergency contract with Renda Environmental, Inc., to increase the contract value in a like amount.

Final invoices have been received for all emergency contracts issued as part of the April 3, 2025 emergency authorization. The emergency contracts under this authorization will be taken to City Council for ratification in the near future.

If you have any questions, please contact Chris Harder at 817-392-5020.
