LOG NAME: 35FY23 CCPD AFTER SCHOOL PROGRAMS

SUBJECT

(ALL) Authorize Execution of Agreements with Fort Worth, Keller, Crowley, and White Settlement Independent School Districts for Operation of After-School Programs in a Total Program Amount Up to \$2,024,000.00 for Fiscal Year 2023

RECOMMENDATION:

It is recommended that the City Council authorize the execution of agreements with the Fort Worth, Keller, Crowley, and White Settlement Independent School Districts in the total program amount up to \$2,024,000.00 for the operation of after-school programs at selected schools during Fiscal Year 2023.

DISCUSSION:

National research shows that adolescents are most at risk on school days between the hours of 3:00 p.m. and 6:00 p.m. of being a victim of a crime or committing a crime. In response to this concept, a multi-disciplinary task force was formed in 2001 consisting of City officials, school district personnel, and related service providers. This task force developed a coordinated program for Fort Worth Independent School District (ISD) schools that documented juvenile crime patterns.

Each year since 2001, the City of Fort Worth (City) has funded after-school programs using appropriations from the Crime Control and Prevention District (CCPD). The participating school districts have expanded beyond Fort Worth ISD to include Keller ISD, Crowley ISD, and White Settlement ISD; however, only schools that lie within the boundaries of the City receive CCPD funding. Each district is responsible for the day-to-day administration of its after-school program and is required to establish program goals and objectives that are measurable and result in desired program outcomes. Today, the mission of the after-school programs is to provide a safe environment for educational, physical, and social development leading to a reduction in juvenile crime.

This Mayor and Council Communication (M&C) is to authorize the execution of agreements with Fort Worth, Keller, Crowley, and White Settlement Independent School Districts in the total program amount up to \$2,024,000.00 for the operation of after-school programs at selected schools during Fiscal Year 2023.

Funding will be allocated as follows to each district in Fiscal Year 2023 on a reimbursement basis:

- Fort Worth ISD funding in the amount up to \$1,644,500.00;
- Keller ISD funding in the amount up to \$158,125.00;
- Crowley ISD funding in the amount up to \$158,125.00; and
- White Settlement ISD funding in the amount up to \$63,250.

Funding will be budgeted in Other Contractual Services account within the Crime Control and Prev Distr Operating Fund for Fiscal Year 2023.

These Agreements will be effective for one year, beginning October 1, 2022, and will end on September 30, 2023, with no renewals.

This program serves ALL COUNCIL DISTRICTS.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that upon approval of the above recommendation and adoption of the Fiscal Year 2023 Budget by the City Council, funds will be available in the Fiscal Year 2023 operating budget, as appropriated, in the Crime Control and Prev Distr Fund. Prior to an expenditure being incurred, the Police Department has the responsible to validate the availability of funds.
