It is recommended that the City Council authorize execution of an Interlocal Agreement with Tarrant County for the rehabilitation and resurfacing of Katy Road (from Golden Triangle Blvd to Keller Hicks Road) and Willow Springs Road (from West Bonds Ranch Road to Mesa Crossing Drive) in Precinct 3, with City Participation in the amount of \$900,000.00 (City Project No.106061).

DISCUSSION:

In the Fiscal Year 2025 Pay-Go General Capital Projects Program, various types of street maintenance projects are grouped into specific contract packages, including Interlocal Agreements with other governmental entities. This Mayor and Council Communication (M&C) will provide street rehabilitation and resurfacing for approximately 2.76 lane miles.

Tarrant County's Precinct 3 has agreed to participate in the rehabilitation and resurfacing of Katy Road from Golden Triangle boulevard to Keller Hicks Road, and Willow Springs Road from West Bonds Ranch Road to Mesa Crossing Drive. Under this Interlocal Agreement, Tarrant County will provide all necessary labor and equipment to perform this work, and the City of Fort Worth (City) agrees to pay for the cost of materials and other incidentals in the amount of \$900,000.00. Additionally, the City agrees to provide traffic control for the duration of the project or as deemed necessary by Tarrant County (City Project No. 106061).

Construction for this project is expected to start in August 2025 and be completed by March 2026. Upon completion of the project, there will be no anticipated impact on the General Fund operating budget.

Funding is budgeted in the General Capital Projects Fund for the Transportation and Public Works Department for the purpose of funding the 2025 Interlocal Agreement with Tarrant County project, as appropriated.

BUSINESS EQUITY: A goal is not assigned when purchasing from an approved purchasing cooperative or public entity.

The project is located in COUNCIL DISTRICT 10.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that funds are available in the current capital budget, as previously appropriated, in the General Capital Projects Fund for the 2025 Interlocal Agreement TC project to support approval of the above recommendation and execution of the agreement. Prior to any expenditure being incurred, the Transportation & Public Works Department has the responsibility to validate the availability of funds.
