The new decorative pedestrian lights will enhance the aesthetics of West Broadway Avenue and contribute to the safety and accessibility of the area creating a more vibrant and inviting atmosphere for residents and visitors alike.

Funding for this project was not included in the FY2024-2028 Capital Improvement Program due to the developer funds were unknown at the time. The action in this M&C will amend the FY2024-2028 Capital Improvement Program as approved in connection with Ordinance 26453-09-2023.

Funding has been received and available into the Developer Contribution Fund for the 314 South Main Pedestrian Illumination project.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.
